

## BPG Safety Mission Statement

At BPG we are uncompromising in our commitment to the health and safety of our employees, clients, subcontractors, and community. We will continually improve our processes, demonstrate safety leadership, and promote our proactive safety culture. Individual accountability, personal responsibility, and integrity are our watchwords. Safety is the responsibility of all employees, management and the individual craft worker alike. We will plan, communicate, and work together to achieve our goal of ZERO AVOIDABLE INCIDENTS. BPG is committed to the shared goal of every employee making the safe choice for every operation.

Doing the right thing is the way we do business, not because of a program policy, but because it ensures that all BPG employees safely return to the friends and families that treasure them so much.

Our **Clients** expect safe operations from our organization

Our **Excellence** is a result of SAFELY doing all of our operations beyond expectation

Our **Integrity** is unwavering as we make the safe choice for every operation

Our **Professionalism** is exemplified by our decisions to make safety our first and foremost assignment

Our **Continual Improvement** will lead the industry in more effective ways to safely conduct our work

Our **Results** are a company, free of unavoidable incidents, where the employees KNOW their quality of life is the highest priority.

Our focus, diligence, communication, and courage are the cornerstones of safety success. We all strive for an environment that empowers and reinforces the employees to not only work safely but to share why they choose to do so. We express concern for the safety of teammates and coworkers without hesitation. We make a silent promise to every coworkers' family that we will do everything in our power to get that teammate home each night.

**BPG is committed to preventing employee injuries and unavoidable incidents. We all do our part to share our belief that working safely is our first and only choice on every task, every day.**
